

RoHS-REACH Declaration of Conformity

Declaration of Conformity – RoHS

We hereby confirm the conformity of our products in accordance with the RoHS Directive 2011/65/EU and 2015/863/EU of the European Parliament and of the Council on the restriction of the use of hazardous substances in electrical and electronic components and equipment and compliance with the maximum permitted concentration in homogeneous materials in weight percent <0.01% of cadmium, <0.1% of lead, mercury, hexavalent chromium (Cr6+), polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), diphthalate (DEHP), butyl benzyl phthalate (BBP), dibutyl phthalate (DBP), diisobutyl phthalate (DIBP) in accordance with Annex II of the Directive.

Wagner AG hereby declares that all our products are manufactured in compliance with RoHS.

Exceptions according to Annex III of the directive, point 7a:

Articles and applications for which high-temperature solder with a lead content >85% must be used for application reasons, fall under the exception and are also RoHS-compliant.

Declaration of Conformity – REACH

As a manufacturer of aluminium die-cast parts and thermoplastic injection-moulded parts, Wagner AG is a 'downstream user' within the meaning of the REACH Regulation 1907/2006. Obligations due to the manufacture and placing on the market of substances / chemicals for pre-registration and registration (ECHA) are not applicable to us.

Our products qualify as articles and are therefore not to be defined as substances or preparations. In addition, no substance is released from our products under normal and foreseeable conditions of use. Wagner AG is therefore not subject to the obligation to register or to prepare safety data sheets.

In order to guarantee our customers a continuous supply of reliable and safe products, we ensure that our suppliers fulfil all requirements regarding chemical substances and materials and that no substances from the candidate list of substances of very high concern (SVHC) are used in the manufacture of our products.
